The India Convention Promotion Bureau – (ICPB) takes immense pride in presenting the 15th edition of Conventions India Conclave, scheduled from 19th to 21st August at Bharat Mandapam, New Delhi.

It is a proud moment for all of us in ICPB. Our flagship event, the "Convention India Conclave 2026", returns for its landmark 15th Edition.

The significance of the conclave is that it is being jointly organized by the Delhi Tourism and ITPO, in collaboration with Ministry of Tourism, Government of India. This partnership marks the beginning of a focused, year-on-year platform to position India as a preferred global MICE destination.

Under the theme, "Powering the Future of Innovation" the conclave will offer a powerful platform for business networking, knowledge sharing, pre-scheduled B2B meetings, exhibitions, and Industry dialogue.

The MICE infrastructure in the country has been developing rapidly, and convention hotels and conference venues of international standards are being built/ developed in cities across the country. With the corresponding expansion in the network of airline operations, and other infrastructure support, India is ready to position and market itself as an important MICE destination.
